Impact of the Census

MONEY: California receives billions of dollars annually from Federal programs that use Census-derived data to determine funding allocations for health and human services, housing, nutrition, workforce development, transportation, and other services.

REPRESENTATION: After the 2010 Census, California failed to gain a Congressional seat for the first time since obtaining statehood in 1850.

The U.S. Census Bureau provides Block Group data on selected variables to provide socioeconomic and demographic characteristic profiles of areas. The following figures are averages of the Census Block Groups in the Second District:

Median Household Income	\$47,893	Not High School Graduate	31.9%
Asian	8.7%	Renter Occupied Housing Units	59.7%
Hispanic	52.4%	Vacant Housing Units	6.2%
